New Website Launches Today!

We are excited to announce that KidneyCure now has its own dedicated website. The site is designed to highlight our work and grant recipients, and provide a better donation experience. As our supporters, we wanted you to be among the first to see it. Please visit www.kidneycure.org, and let us know what you think by emailing kidneycure@asn-online.org.

2021 Grant Application Review Update

The Grants Review Committee, chaired by Bruce C. Kone, MD, FASN, and Ambra Pozzi, PhD, DrPh, met virtually on Tuesday, March 23 to review nearly 100 research applications submitted in December 2020. The committee’s recommendations were reviewed by the KidneyCure Board of Directors in early April. Up to 24 new investigators will join the esteemed roster of KidneyCure grant recipients this year and we look forward to announcing the new recipients soon.

Grant Recipients at Work

Current and former KidneyCure grant recipients are working across the research spectrum to advance our understanding and treatment of kidney diseases. Find highlights of recent works and publications as submitted by former KidneyCure grant recipients here.

If you have any questions, please contact us at kidneycure@asn-online.org or 202-640-4660.
